SCHOOL

## **Temporary Policy Addendum (Appendix 6):**

### **COVID-19 school closure arrangements for Safeguarding and Child Protection at Windermere School**

This Policy addendum is effective from 8 March 2021

*Please note due to the nature of the current situation this document is  
subject to change.*

## Context

On Monday 22<sup>nd</sup> February 2021, The Prime Minister announced the government's roadmap to cautiously ease lockdown restrictions in England. This included a direction that from 8 March 2021, all students should attend school.

Windermere School will continue to have regard to the statutory safeguarding guidance keeping children safe in education (as amended, Jan 2021).<sup>1</sup>

We will ensure that where we care for students on site, we have appropriate support in place for them.

We will take advice and work with the local safeguarding partners.

We will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of coronavirus.

This addendum of the Windermere School Safeguarding and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

Context.....	
Vulnerable children .....

Contingency planning.....

## **Key contacts**

Remain as per the Windermere School Safeguarding Policy.

## **Vulnerable children**

Vulnerable children and young people include those who:

- are assessed as being in need under section 17 of the Children Act 1989<sup>2</sup>, including children and young people who have a child in need plan, a child protection plan or who are a looked-after child;
- have an education, health and care (EHC) plan;
- have been identified as otherwise vulnerable by educational providers or local authorities (including children's social care services), and who could therefore benefit from continued full-time attendance, this might include:
  - children and young people on the edge of receiving support from children's social care services or in the process of being referred to children's services
  - adopted children or children on a special guardianship order
  - those at risk of becoming NEET ('not in employment, education or training')
  - those living in temporary accommodation
  - those who are young carers
  - those who may have difficulty engaging with remote education at home (for example due to a lack of devices or quiet space to study)
  - care leavers
  - others at the provider and local authority's discretion including students and students who need to attend to receive support or manage risks to their mental health.

Windermere School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. In these cases, the lead person for this will be: Mrs Jenny Davies

In circumstances where a parent is hesitant about or does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker (if allocated) and Windermere School will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, Windermere School or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Windermere School will encourage all students to attend a school.

### **Attendance monitoring**

We expect all students to attend school. There will be some exceptions made in, for example, the requirements for international boarding students.

Parents or carers are expected to contact the school on the first day of the illness and inform us of the reason for absence so that the correct attendance codes can be used in every case of absence. We expect parents or carers to make contact to make us aware of the status of any COVID-19 tests that have become necessary and to update the school on the welfare of the student.

From 8 March 2021, we will record attendance in accordance with the Education (Student Registration) (England) Regulations 2006 (as amended)<sup>3</sup> for all students.

A small number of students will still be unable to attend in line with public health advice to self-isolate because they:

- have symptoms or have had a positive test result
- live with someone who has symptoms or has tested positive and are a household contact
- are a close contact of someone who has coronavirus (COVID-19)
- are unable to travel due to restrictions when entering the UK and restrictions within other countries.

The advice for students who have been confirmed as clinically extremely vulnerable is to shield and stay at home as much as possible until further notice. They are advised not to attend school while shielding advice applies nationally.

For children self-isolating or quarantining or shielding – we will use code X.

In compliance with the Remote Education, Temporary Continuity Direction<sup>4</sup> will provide remote education to students who are unable to attend school because they are complying with government guidance or legislation around coronavirus (COVID-19).

Also, we will offer pastoral support to students who are:

- self-isolating
- shielding
- vulnerable (and off-school)

The Department for Education expects schools to grant applications for leave in exceptional circumstances. This should be recorded as code C (leave of absence

authorised by the school) unless another authorised absence code is more applicable.

Where students are not able to attend school, as they are following clinical or public health advice related to coronavirus (COVID-19), the absence will not be penalised.

### **Reporting a concern**

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via My Concern, which can be done remotely.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should report their concern to the Head.

### **Safeguarding Training and induction**

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2020). The DSL will communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter Windermere School, they will continue to be provided with a safeguarding induction.

### **Safer recruitment/volunteers and movement of staff**

When recruiting new staff, Windermere School will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2020) (as amended, Jan 2021).

Should Windermere School utilise any volunteers for the purpose of testing, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE.

Under no circumstances will a volunteer in respect of whom no checks have been obtained be left unsupervised or allowed to work in regulated activity.<sup>5</sup>

### **Volunteers**

---

<sup>5</sup> Paragraph 183. Keeping Children Safe in Education (2020) (as amended, Jan 2021)  
[https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/954314/Keeping\\_children\\_safe\\_in\\_education\\_2020\\_-\\_Update\\_-\\_January\\_2021.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/954314/Keeping_children_safe_in_education_2020_-_Update_-_January_2021.pdf)

Windermere School may be required to use volunteers to assist in handing out and securing COVID-19 test kits to students and staff members. Other duties may be required such as building test kits, cleaning down areas and directing people.

Under no circumstances will a volunteer in respect of whom no checks have been obtained be left unsupervised or allowed to work in regulated activity.

Volunteers who, on an unsupervised basis provide personal care on a one-off basis in Windermere School, will be in regulated activity. This means that if a volunteer is administering a COVID-19 test whilst un-supervised, they will be in regulated activity and therefore require an Enhanced DBS with Barred List check.

Existing volunteers in regulated activity do not have to be re-checked if they have already had a DBS check (which includes barred list information).

Supervision must be:

- by a person who is in regulated activity.
- regular and day to day; and
- reasonable in all the circumstances to ensure the protection of children.

In appointing volunteers, the School will continue to follow safer recruitment processes.

It is the aim of Windermere School to be able to use existing staff without the requirements to recruit volunteers. The above will be adhered to should volunteers be required.

### **Children and online safety away from school and college**

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out in the Expectations documents.

Windermere School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements. The existing guidance for remote learning remains in-place and must be adhered to.

### **Supporting children not in school as they are following clinical or public health advice related to coronavirus (COVID-19)**

Windermere School is committed to ensuring the safety and wellbeing of all its children and young people.

Where the DSLs have identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

Details of this plan will be recorded on My Concern, as should a record of contacts that have been made.

The communication plans can include remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded.

Windermere School and its DSLs will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly and where concerns arise, the DSLs will consider any referrals as appropriate.

Windermere School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of students and their parents/carers.

Teachers at Windermere School need to be aware of this in setting expectations of students' work where they are at home.

### **Supporting children in school**

Windermere School is committed to ensuring the safety and wellbeing of all its students.

Windermere School will continue to be a safe space for all children to attend and flourish.

Windermere School will refer to the Government guidance for education and childcare settings on how to implement social distancing<sup>6</sup> and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID-19.

Windermere School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child.

Windermere School will ensure that appropriate support is offered to all students with respect to their mental health.

### **Elective Home Education (EHE)**

---

<sup>6</sup>[https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/963541/Schools\\_coronavirus\\_operational\\_guidance.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/963541/Schools_coronavirus_operational_guidance.pdf)

Windermere School will encourage parents to send their children to school, particularly those who are vulnerable.

Where an application is made, Windermere School will consider whether a parent's decision to educate at home gives greater cause for concern compared to remaining in school.

Where we feel that there is additional cause for concern the DSLs will then consider making a referral to the local authority in line with existing procedures. This will happen as soon as Windermere School becomes aware of a parent's intention, or decision, to home educate.

Windermere School will work with local authorities and, where possible, coordinate meetings with parents to seek to ensure EHE is being provided in the best interests of the child.

If a parent wants to admit their child to Windermere School, we will follow our normal processes for in-year admissions applications.

### **Contingency planning**

Windermere School will ensure that for individuals or groups of self-isolating students and students who are shielding, we follow government guidance related to coronavirus (COVID-19), remote education plans.

Windermere School will continue to operate as normally as possible. In the event that restrictions in schools are needed to help contain the spread of the virus, we will refer to the contingency framework<sup>7</sup>, which has been updated and outlines how schools should operate in the event of any restrictions.
