Welcome

Established in 1863, Windermere School is a day and boarding school with a modern and innovative learning approach that encourages young people to strive for excellence in all they do. Our amazing location in the heart of the English Lake District, a UNESCO World Heritage site and area of outstanding beauty, offers an inspirational setting for outdoor education and adventurous learning. We are delighted to extend a warm welcome to young people to enjoy our beautiful campus and fabulous facilities for an enriching and productive holiday learning experience.

Arts and Crafts (8-14 years)

As well as being a lot of fun, creative activities help build confidence, hand and eye co-ordination, social skills and mental wellbeing. If you have ever wanted to learn to knit or sew or would like to apply or extend your crafting skills, this is the course for you. Each week you will have the opportunity to try a wide range of different craft activities in a relaxing and calm environment. Typical activities may include Lino printing, or creating useful everyday items such as felted phone cases, marbled paper covered notebooks, sewing a shoulder bag etc.
