

We welcome both individual and group applications to our Short Term and Immersion Programmes, where pupils will integrate fully into our boarding school family and wider community. While immersed in an English speaking school, pupils will practice and perfect their English language skills across a broad curriculum of subjects, making memories and friends that they will never forget.

Sadly, we are unable to accept pupils into Year 13 at any time, and only welcome pupils into Year 11 at certain times in the year due to exam timetables. All prices include airport collection, lessons, boarding and all timetabled, weekend trips and evening activities.*
