Purpose of the policy

The purpose of this policy is to confirm the arrangements for candidates who are absent from an examination at Windermere School.

An absent candidate may subsequently arrive once the exam is underway, becoming a late or very late arrival, at which point Windermere School reserves the right to exercise discretion whether to allow a candidate who arrives after the start of the examination to enter the examination room and sit the examination. (See

Candidate Late Arrival Policy)

Based upon the circumstances for the absence, and subject to the required conditions being met, an application for special consideration may also be made to the relevant awarding body.

1. Identifying and dealing with candidate absence

A candidate will be considered absent from an examination if:

- The candidate is not present once the register has been completed and the examination has started.

Once a candidate is identified as absent from an examination, the following action will be taken:

- The candidate will be contacted as to their whereabouts and as far as possible arrangements made to ensure their immediate arrival

If a candidate fails to sit an examination, the following action is taken:
