This policy is reviewed and updated annually to ensure that non-examination assessment at Windermere School are planned for and managed in accordance with current requirements and regulations.

Introduction

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting
- task taking
- task marking (NEA 1)

The regulator's definition of an examination is very narrow. In effect, a non-examination assessment (NEA) is classified as any type of assessment that is not:

- set by an awarding body
- designed to be taken simultaneously by all relevant candidates at a time determined by the awarding body, and
- taken under conditions specified by the awarding body (including conditions relating to the supervision of candidates during the assessment and the duration of the assessment)

'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'. (NEA, Foreword).

Instructions for conducting coursework for use in CCEA GCE unitised AS and A-level qualifications, ELC and Project qualifications are provided in the JCQ document *Instructions for conducting coursework*.

Instructions for the setting, supervision, authentication, marking, internal standardisation and external moderation of non-examination assessments for use in the vocational and technical qualifications listed are provided in the JCQ document *Instructions for conducting non-examination assessments (Vocational and Technical Qualifications)*.

Purpose of the policy

This policy confirms the JCQ requirement that Windermere School has in place for inspection that must be reviewed and updated annually, a written policy regarding the management of non-examination assessments including controlled assessments and coursework, which includes how candidates' work will be authenticated.

Awarding bodies require each centre to have a non-examination assessment policy in place to:

- cover procedures for planning and managing non-examination assessments
- define staff roles and responsibilities with respect to non-examination assessments
- manage risks associated with non-examination assessments (NEA 1)

Procedures for planning and managing non-examination assessment identifying staff roles and responsibilities
